Updated 1/31/2008 1850

	A	B	C	D	E	F
1	Mapping Priority Decision	Map Type	Map Name	Closest City	State	Comments
2	MEDIUM	Proposed	Alderfer / Three Sisters	Evergreen	CO	<ul style="list-style-type: none"> 2008-01-22 -- Adam Feerst: New terrain and new trails on the north side. Good features and variety. Close to town. Might be on the small side; TBD.
3	OK AS-IS	Existing	Badger Gulch	Lake George	CO	<ul style="list-style-type: none"> 2005: Possible permitting issues; contact Steve Willman for details.
4	LOW	Existing	Bear Creek Lake Park	Lakewood	CO	<ul style="list-style-type: none"> 2008-01-17 -- Sherry Litasi: Christoph updated this area in 2006. This is a good candidate area for a permanent course.
5	LOW	Existing - Needs Updates	Bear Creek Park	Colorado Springs	CO	<ul style="list-style-type: none"> 2005-12-13: There may be some permitting issues; check with Neal Barlow. 2008-01-10 -- Neal Barlow: This is a small map, even smaller now due to the dog park, and seriously out of date. This map may be worth revisiting in the future as there are plans to add Section 16, which would connect this park to Red Rock Canyon Open Space and Bear Creek Canon Park. However the terrain isn't that great -- very steep and tough undergrowth in place.
6	MEDIUM	Proposed	Ben Delatour Boy Scout Camp	Red Feather Lakes	CO	<ul style="list-style-type: none"> 2005 -- Michael Rounds: I have received verbal permission in the past to map each of the scout camps. Of course that permission could be five to ten years old now... A Boy Scouter on the Ben Delatour board thinks that mapping there is a good idea. 2005 -- Adam Feerst: It looks like a great area, comparable to Buffalo Creek or Medicine Bow. 2005-12-13 -- Brian Coleman: This area is adjacent to National Forest, near Red Feather Lakes. The contact for this area would be Longs Peak Council, Chief Scout Executive. 2005-12-13: This area is close to Laramie; perhaps Mikell could map it and it could be used at future 1000-Day meets. 2008-01-10: Brian Coleman is researching access / permission; he reports that Scout officials are interested. 2008-01-17 -- Michael Rounds: This area is about the size of Peaceful Valley, with camping facilities and lots of interesting rock features, On the downside, it's a quite a ways away from Front Range urban areas. Magic Sky Girl Scout Camp is near by. 2008-01-17: Brian Coleman has had trouble finding a contact for access & mapping permissions.

RMOC Map Inventory / Project List -- ACTIVE Maps

Updated 1/31/2008 1850

	A	B	C	D	E	F
1	Mapping Priority Decision	Map Type	Map Name	Closest City	State	Comments
7	LOW	Proposed	Betasso Preserve	Boulder	CO	<ul style="list-style-type: none"> • 773 acres (roughly equivalent to the size of Fox Run). • Parking availability might be very limited on weekends. • 2005-12-13: Gordon McCurry will follow up with Boulder County contacts and will check availability of aerials. • 2006-02-07: Based on recent positive meeting with Boulder County Open Space staff, Gordon McCurry is preparing a permit application. After the Boulder County Open Space staff reviews our proposal, we'll make a decision about whether to move forward on a new map of this area.
8	LOW	Existing - Needs Updates	Black Forest Regional Park	Colorado Springs	CO	<ul style="list-style-type: none"> • Ample parking, nice facilities, popular. Map needs to be updated to include new road, off-limits areas, and new acreage. • 2005-12-13: Brooke will follow-up with City of Colorado Springs to evaluate acreage and location of new areas to be added by road developer. • 2008-01-10 -- Neal Barlow: Due to construction, this park this map will need to be completely redrawn. • 2008-01-31 -- Brooke Mann: I talked to the District Manager; he says the expanded area won't be open to the general public until sometime in 2009.
9	OK AS-IS	Existing	Blue Mountain	Lake George	CO	<ul style="list-style-type: none"> • 2005: Last used in 2004. A five-year moratorium has been imposed by the USFS effective 2005-2010. Contact Steve Willman and/or Neal Barlow for details. • 2006-01-24: Sherry has a meeting with the USFS scheduled for 2/3/2006. • 2006-02-07: Sherry is negotiating with USFS for potential continued access. • 2008-01-22: Sherry will check with USFS to find out the current status. Neal and Plamen volunteered to check for areas needing updates.
10	MEDIUM	Proposed	Breckenridge Nordic Center	Breckenridge	CO	<ul style="list-style-type: none"> • Create Ski-O map using USGS topo and GPS waypoints. • 2006-01-24: Jim & Mil Plant have confirmed permission/access with "The Daytons" (the people who manage the Nordic center). • 2006-03-15: Alex has GPS data for all trails, but encountered technical difficulties when trying to align the trails with downloaded contour data; he will continue to work on it. • 2008-01-17: No progress on this since 2006.
11	LOW	Proposed	Bruno Gulch / Geneva Park	Grant	CO	<ul style="list-style-type: none"> • 2005 -- Adam Feerst: Dick had a minigaine here cancelled during the Hayman fire season. South side of Guanella Pass, about midway between Grant (Hwy 285) and the pass. • 2005-12-13: Adam will check with his USFS contacts about general access issues. Even if this area is not mapped, we can continue to use USGS maps for ROGAINE-style events. • 2006-01-24: Adam has requested input & comments from Dick Matthews, who is more familiar with the area. Although this area is a low priority for mapping, we still feel it would be a good area for a mini-ROGAINE type of event. • 2008-01-22 -- Adam Feerst: This area is not far from Buffalo Creek, so perhaps it could be used as part of a multi-day event. Let's keep it a low priority until we make more progress at Buffalo Creek.
12	MEDIUM	Existing - Needs Updates	Buena Vista			2008-01-14 -- Steve Willman: We have base maps for maps five times the size of the existing map. He wants to use Brian's computer to update the existing map and to map additional areas. However, he probably won't be available to work on this until 2009.

RMOC Map Inventory / Project List -- ACTIVE Maps

Updated 1/31/2008 1850

	A	B	C	D	E	F
1	Mapping Priority Decision	Map Type	Map Name	Closest City	State	Comments
13	HIGH	Proposed	Buffalo Creek	Pine	CO	<ul style="list-style-type: none"> • 2005 -- Adam Feerst: Great terrain. Enough for a ROGAINE. • 2005-12-13: This is an "incredible" area, with plenty of parking and bathroom facilities. Sherry will follow-up with USFS about permit issues / usage. • 2006-01-24: We decided to make this area one of our top priorities for imminent mapping PENDING an assessment of access and permitting issues. • 2006-03-15: Sherry is re-scheduling her meeting with the USFS to discuss access/permit issues.. • 2008-01-10: Our mini-rogaime in June 2007 was permitted and had no complaints. This area would be great for a A-meet map. • 2008-01-17: Plamen and Doug Berling volunteered to research this area to decide on the best area to map (terrain, access, availability of parking, etc.).
14	MEDIUM	Proposed	Camp Alexander/Sledgehammer	Lake George	CO	<ul style="list-style-type: none"> • Camp Alexander is located in Elevenmile Canyon in the Pike National Forest, approximately 45 miles west of Colorado Springs and two miles south of Lake George. Camp Alexander is between 8,200 and 8,600 feet elevation. The camp area consists of hills, low mountains, and valleys covered by a mix of Ponderosa pine forests, high-altitude grasslands, and wetland vegetation along the lake and stream. • 2005-12-13: Brian Coleman will research access / permission with his Scouting contacts. • 2006-03-15: This area may be adjacent to an area proposed to Sherry by the USFS. • 2008-01-14: Brian and Sherry will meet with Pike's Peak Council on 1/15/2008 to talk about mapping and access. This area could potentially be part of our 2009 Five-Day Meet. Need to check BLM maps for boundaries of public/private land.
15	LOW	Proposed	Camp Elim	Manitou Lake	CO	<ul style="list-style-type: none"> • 2005 -- Sherry Litasi: Camp Elim is interested in re-introducing orienteering into their camp curriculum. Their facilities manager, Shawn Willoughby (willoughby007@juno.com) said that he would be interested in talking with RMOC about the potential of mapping their property. They are located across the highway from Manitou, situated right next to the Painted Rocks Campground. They have easements on their property to use the surrounding property. • 2008-01-17: Sherry will check on boundaries, access, etc.
16	LOW	Proposed	Camp Genesse Girl Scout Camp / Mt. Vernon Country Club	Genesee	CO	<ul style="list-style-type: none"> • Only 65 acres? Adjoining property to the east is part JeffCo and part Mount Vernon Country Club. Permanent CMC course is located in this area. • 2005 -- Michael Rounds: I have received verbal permission in the past to map each of the scout camps. Of course that permission could be five to ten years old now.... In the last year, I've had renewed interest from the Girl Scouts in mapping their camps. • 2005 -- Adam Feerst: Nice area. • 2005-12-13: This facility's proximity to Denver is a plus. However, mapping this facility would only be worthwhile if we can secure permission to map and use the adjoining areas. Adam Feerst has a contact who's checking with the Mt. Vernon Country Club board. • 2008-01-17 -- Michael Rounds: The Girl Scout camp on its own is smallish, perhaps suitable for White and Yellow courses only. Negotiating access with three different land managers might be a hassle.

RMOC Map Inventory / Project List -- ACTIVE Maps

Updated 1/31/2008 1850

	A	B	C	D	E	F
1	Mapping Priority Decision	Map Type	Map Name	Closest City	State	Comments
17	LOW	Proposed	Camp Patiya / Myers Gulch	Boulder	CO	<ul style="list-style-type: none"> • 2005-12-13: Boy Scout Camp adjacent to Walker Ranch and Myers Gulch (off of Flagstaff Roud in Boulder). About 40 acres. • 2006-02-07: Based on recent positive meeting with Boulder County Open Space staff, Gordon McCurry is preparing a permit application. After the Boulder County Open Space staff reviews our proposal, we'll make a decision about whether to move forward on a new map of this area. • 2006-03-15: Brian Coleman will discuss Camp Patiya access with Boy Scout authorities. • 2008-01-17 -- Michael Rounds: Camp Patiya itself is fairly small, with parking for only about 20 cars. This area would be best for White and Yellow courses only -- although it is adjacent to a large open space area.
18	MEDIUM	Proposed	Caribou Flat	Nederland	CO	<ul style="list-style-type: none"> • 2005 -- Jeff Hutchinson: This map would be located at approximately 10,000' - 10,500', making it a contender for the highest orienteering map in the world. Caribou Flat is about 3 km northwest of the town of Eldora (not the ski area), or about 6-1/2 km west of Nederland. The parking lot is pretty large, and there's more space to park than just the lot. Caribou is a small, not-quite-ghost town. • 2005-12-13: This area is mostly flat. JP will investigate boundaries and ownership. • 2008-01-31 -- Brooke Mann: I confirmed with Bob Ellis that this area is NOT the same as Caribou Ranch. He says this area is privately owned, but hikers are tolerated.
19	HIGH	Proposed	Chatfield State Park -- Area South of Dam #2 (South Platte)	Littleton	CO	<ul style="list-style-type: none"> • 2005 -- Adam Feerst: Great for a Bike-O. • 2005-12-13: The existing basemap needs to be re-done. • 2006-01-24: Alex is working on this area and will hopefully have it ready by Fall 2006. Sverre will contact Ranger Jim Smith to let him know Alex will be working in the park. • 2008-01-10: Plamen is updating this area and will map the entire park for Summer 2008.
20	HIGH	Proposed	Chatfield State Park -- Area South of Dam #1 (Plum Creek Wetlands)	Littleton	CO	<ul style="list-style-type: none"> • 2005 -- Adam Feerst: Great for a Bike-O. • 2005-12-13: The existing basemap needs to be re-done. • 2006-01-24: Alex is working on this area and will hopefully have it ready by Fall 2006. Sverre will contact Ranger Jim Smith to let him know Alex will be working in the park. • 2008-01-10: Plamen is updating this area and will map the entire park for Summer 2008.
21	HIGH	Existing - Needs Updates	Chatfield State Park -- Dog Park Area	Littleton	CO	<ul style="list-style-type: none"> • 2008-01-10: Plamen is updating this area and will map the entire park for Summer 2008.
22	HIGH	Existing - Needs Updates	Cherry Creek State Park	Denver	CO	<ul style="list-style-type: none"> • 2005: We should expand to include unmapped areas. • 2006-03-15: Christoph is in the process of doing field work. • 2008-01-10: Christoph updated in 2006. But, there appears to be more changes near the campground.

RMOC Map Inventory / Project List -- ACTIVE Maps

Updated 1/31/2008 1850

	A	B	C	D	E	F
1	Mapping Priority Decision	Map Type	Map Name	Closest City	State	Comments
23	TBD	Proposed	Cheyenne Mountain State Park	Colorado Springs	CO	<ul style="list-style-type: none"> 2006-10-17 -- Steve Willman: This is potentially a great area. However, at most 50% is usable for us. Much is very steep. 2008-01-10 -- Neal Barlow: I haven't run there yet; from the map some parts look steep. But there are plans in place for various organizations to purchase the whole mountain and open up access. 2008-01-17 -- Scott Fullerton will work with Sverre Froyen to investigate access issues.
24	OK AS-IS	Existing	CU-Boulder	Boulder	CO	<ul style="list-style-type: none"> 2008-01-31 -- Brooke Mann: Obtaining a CU event permit is do-able but very time consuming. Our two recent meets without a permit in 2006 & 2007 were fine (start/finish adjacent to main campus).
25	TBD	Proposed	Denver City Park	Denver	CO	<ul style="list-style-type: none"> 2008-01-10 -- Sherry Litasi: Old map is not usable, even as a base map. Permit for non-profit groups is \$115; we may be required to supply a porta-potty. We should consider this area for introducing beginners and for junior training (e.g. East High School).
26	OK AS-IS	Existing	Devil's Thumb	Boulder	CO	<ul style="list-style-type: none"> "Training Events" only; new Boulder OSMP policies forbid competitive sporting events, and off-trail use is discouraged in some management areas. Plenty of parking at Mesa Elementary School.
27	HIGH	Existing	Devil's Thumb Ranch	Tabernash	CO	<ul style="list-style-type: none"> Proposed as a Ski-O map. 4000 acres and 125km of ski trails. 2005 -- Adam Feerst: I know people there. I think they're open to both winter and summer events. Also good for Snowshoe-O and Bike-O. 2006-01-24: JP and Adam have had informal discussions with the DTR staff, and they're open to us mapping their area. This area would be better for winter events; the ski trails are on leased land where cattle graze in the summer. Also, the trails can vary from year to year due to lease issue and pine beetle closures. Otherwise, this area would be great for Ski-Os and Snowshoe-Os. The DTR contact is "Seth". 2006-02-07: JP has GPS'd most of the ski trails at DTR. 2006-03-15: We have tentative approval to move forward with mapping this area.
28	HIGH	Existing - Needs Updates	Eldora	Nederland	CO	<ul style="list-style-type: none"> XC trail map -- Michael Rounds has computer files of some sort. Short-term: Update trails for a Ski-O map. Longer-term: Create O map for summer use. However -- permit fee may be extremely high in the summer (area is leased from a private land owner during the winter). Lots of parking, lots of confusing ski trails and other trails, lots of features, steepness is about like that of White Ranch. 2005-12-13: JP Ingebrigtsen will try to confirm the winter / summer access requirements. 2006-03-15: We need someone to GPS the trails at Eldora. 2008-01-10: JP Ingebrigtsen mapped the trails; first meet Feb 2008
29	TBD	Proposed	Florissant - Area to the West	Florissant	CO	<ul style="list-style-type: none"> 2008-01-17 -- Sherry Litasi: The terrain looks similar to Florissant. Steve Willman suggested we look at BLM maps to determine how much is public land and if land swaps have occurred.

1	Mapping Priority Decision	Map Type	Map Name	Closest City	State	Comments
30	OK AS-IS	Existing	Florissant - Eagle Hill	Florissant	CO	<ul style="list-style-type: none"> • 2005: Possible permitting issues; contact Steve Willman for details. • 2008-01-22 -- Bob Ellis: This is the best orienteering area in Colorado! Neal Barlow will check his stock of maps.
31	OK AS-IS	Existing	Florissant - Hornbek Homestead	Florissant	CO	<ul style="list-style-type: none"> • 2005: Possible permitting issues; contact Steve Willman for details. • 2008-01-22 -- Bob Ellis: This is the best orienteering area in Colorado! Neal Barlow will check his stock of maps.
32	OK AS-IS	Existing	Florissant - Nelson Ranch	Florissant	CO	<ul style="list-style-type: none"> • 2005: Possible permitting issues; contact Steve Willman for details. • 2008-01-22 -- Bob Ellis: This is the best orienteering area in Colorado! Neal Barlow will check his stock of maps.
33	OK AS-IS	Existing	Florissant - No Name (SW Corner)	Florissant	CO	<ul style="list-style-type: none"> • 2005: Possible permitting issues; contact Steve Willman for details. • 2008-01-22 -- Bob Ellis: This is the best orienteering area in Colorado! Neal Barlow will check his stock of maps.
34	OK AS-IS	Existing	Florissant - Remaining Corner	Florissant	CO	<ul style="list-style-type: none"> • 2005: Possible permitting issues; contact Steve Willman for details. • 2008-01-22 -- Bob Ellis: This is the best orienteering area in Colorado! Neal Barlow will check his stock of maps.
35	HIGH	Existing - Needs Updates	Fox Run	Colorado Springs	CO	<ul style="list-style-type: none"> • 2005: We need to update this map to improve accuracy. • 2006-01-24: Sherry will contact Christoph Zurcher to get him started on an update of this map. • 2008-01-10 -- Sherry Litasi: Christoph updated this map in 2007 (trails, structuresm etc. -- not contours). At our 2007 Annual Meeting, Sverre said that the county may restrict access, as this park is so popular. They are also considering adding a dog park and Frisbee golf. • 2008-01-22: Plamen Djambazov wants to update the contrours on this map.
36	HIGH	Existing - Needs Updates	Frisco Peninsula	Frisco	CO	<ul style="list-style-type: none"> • 2008-01-22: This map needs updates to reflect tree-thinning activities.
37	OK AS-IS	Existing	Garden of the Gods	Colorado Springs	CO	<ul style="list-style-type: none"> • Off-trail activities no longer allowed. • A portion of this map was drafted into OCAD in May 2007 by Violeta Djambazova, for use as a Trail-O map. It is possible to consider doing Trail-O events here.
38	MEDIUM	Proposed	Gold Run Nordic Center	Breckenridge	CO	

RMOC Map Inventory / Project List -- ACTIVE Maps

Updated 1/31/2008 1850

	A	B	C	D	E	F
1	Mapping Priority Decision	Map Type	Map Name	Closest City	State	Comments
39	MEDIUM	Proposed	Golden Gate Canyon State Park - Green Ranch Area	Golden	CO	<ul style="list-style-type: none"> • 3,500 acres. This is an area that is currently closed for normal use (except for hunting Sept-Nov), but the ranger was open to the idea of having orienteering races there. This is a varied terrain with some older trails, lots of features, some open areas. It also has an area that we could use for parking (perhaps 50 cars). JP would be very much interested in field checking this area if we get a basemap of it. • 2005-12-13: JP Ingebrigtsen will follow-up with ranger to confirm access, permit requirements, etc. JP will also try to locate suitable aerials photos. • 2006-01-24: JP has scheduled a meeting with the ranger for 2/2/2006. Parking availability may be more limited than we originally thought (~30 cars). However, JP still considers this to be a great area. • 2006-01-24: We decided to make this area one of our top priorities for imminent mapping PENDING an assessment of access and permitting issues. • 2006-03-15: JP found a source for aerial photos of this area.
40	LOW	Proposed	Golden Watershed	Evergreen	CO	<ul style="list-style-type: none"> • 2005 -- Adam Feerst: I had a practice course there a few years ago. Limited parking for now. USFS was purchasing. I don't know the latest status. • 2005-12-13: There may be parking issues. • 2006-01-24: Adam may still set-up a meet at Golden Watershed sometime in 2006 using a USGS map, but this area should still be a low priority for mapping. • 2008-01-22: This area is steep and better for mini-rogaines rather than traditional O-meets. It is now managed by Clear Creek County.
41	LOW	Proposed	Heil Valley Ranch	Lyons	CO	<ul style="list-style-type: none"> • 2005: 4,923 acres. Some portions are subject to seasonal and permanent closure.
42	OK AS-IS	Existing	Highlands Ranch 1	Highlands Ranch	CO	<ul style="list-style-type: none"> • 2005: Michael Rounds has these maps.
43	LOW	Proposed	Highlands Ranch 2	Highlands Ranch	CO	<ul style="list-style-type: none"> • Proposed as a Bike-O map.
44	LOW	Existing	Highlands Ranch LDS & Adjacent High School	Highlands Ranch	CO	<ul style="list-style-type: none"> • 2005: Proposed for a Scout demo event that attracts 600-700 Scouts each year; would we also be able to use this map for a "real" meet? • 2006-02-07: Brian Coleman is making a map of this area using online data sources. • 2006-03-15: Brian Coleman completed the map in time for the Chautauqua Scout event on 3/8/2006; contact Brian Coleman for a copy of the map ("magneticnorth@comcast.net").
45	TBD	Proposed	Homestead Ranch Regional Park	Monument	CO	<ul style="list-style-type: none"> • 2008-01-10 -- Neal Barlow: Sverre mentioned that the county offered Homestead Ranch Park as alternative to Fox Run. ... I ran there this morning and [there's] a very nice escarpment with plenty of reentrants and rock features. This is near Peaceful Valley and has similar terrain. I could probably plan up to Green and then there are opportunities to get creative for those who want more advanced courses. Good parking and facilities. Should also to try an find out who owns property to the west, as there is at least one undeveloped, tree-covered ridge with access in that direction. • 2008-01-17: Plamen volunteered to research this area.

RMOC Map Inventory / Project List -- ACTIVE Maps

Updated 1/31/2008 1850

	A	B	C	D	E	F
1	Mapping Priority Decision	Map Type	Map Name	Closest City	State	Comments
46	OK AS-IS	Existing	Idlewild	Winter Park	CO	Ski-O map. This XC ski area has been shut down -- but it's for sale and may possibly still be useable while it's for sale.
47	HIGH	Existing - Needs Updates	Kelly Dahl	Nederland	CO	<ul style="list-style-type: none"> • 2005: Permit may be difficult to obtain; USFS has safety concerns about participants parking along Highway 119. Contact Bob Ellis for details. Michael Rounds has original mylars. • 2005 --Adam Feerst: I don't understand the parking issue. There's a running race in Rollinsville, where people park all along 119. • 2005-12-13: If the USFS access issues persist, perhaps we can leverage the influence of Tom Plant, son of Jim & Mil Plant and Nederland's representative to the Colorado State Legislature. Failing that, contact Congressman Mark Udall's office. Sherry will make some phone calls... • 2006-01-24: Sherry has contacted the USFS ranger's office. Still trying to determine what the access barriers truly are. • 2008-01-31 -- Rich Kelly: ...I also discovered a new trail near the NS running fence that is just W of the prominent hill that you had to navigate around last month. Like I stated in an earlier email, I intend to update the map before the meet next year.
48	LOW	Proposed	Lair of the Bear	Morrison	CO	<ul style="list-style-type: none"> • 2005: Only 319 acres, but adjacent to larger O'Fallon Park (Denver Mountain Parks). • 2008-01-22 -- Adam Feerst: This area also connects to Mt. Falcon. It might be too steep.
49	OK AS-IS	Existing	Lake George	Lake George	CO	
50	TBD	Existing - Needs Updates	Lory State Park	Ft. Collins	CO	<ul style="list-style-type: none"> • 2005: Michael Rounds has these maps (with courses printed on them). • 2008-01-22: This park is long and narrow. But, there may be USFS land adjacent to it.
51	LOW	Proposed	Magic Sky	Red Feather Lakes	CO	<ul style="list-style-type: none"> • 750 acres. • 2005 -- Michael Rounds: Magic Sky is currently undergoing major renovations as the Girl Scouts transfer their home camp to that location. It's relatively close to Ben Delatour Buy Scout Camp near Red Feather Lakes, Colorado. I have received verbal permission in the past to map each of the scout camps. Of course that permission could be five to ten years old now.... In the last year, I've had renewed interest from the Girl Scouts in mapping their camps. • 2008-01-17 -- Michael Rounds: This is a good area, but the Tomahawk Girl Scout Camp would be better since it's closer to urban areas.
52	MEDIUM	Existing - Needs Updates	Manitou Lake	Woodland Park	CO	<ul style="list-style-type: none"> • 2008-01-14 -- Sherry Litasi: Steve Willman says the area north and east of the existing map is very nice with red rock ,and very runnable. There's a Girl Scout Camp adjacent to the east. At one time they wanted a map, but we don't know the current status. • 2008-01-22: Doug Berling will make updates to the existing map in preparation for our 2008 local meet on this map.

RMOC Map Inventory / Project List -- ACTIVE Maps

Updated 1/31/2008 1850

	A	B	C	D	E	F
1	Mapping Priority Decision	Map Type	Map Name	Closest City	State	Comments
53	HIGH	Proposed	Monument Preserve / Palmer Lake Recreation Area	Monument	CO	<ul style="list-style-type: none"> 2005: Bob Ward has done some preliminary field work; Steve Willman agrees this is a good area. Part of Pike National Forest. 2005-12-13: Estimated to be 525 hectares. Alex Thomas will work with Bob Ward on this project. This area could be combined with Saylor Park for a mega-map. 2008-01-22: Plamen will get details from Bob Ward and will investigate this area.
54	OK AS-IS	Existing	Mt. Falcon	Morrison	CO	<ul style="list-style-type: none"> 2,130 acres. Michael Rounds has a few of these maps. 2005 -- Adam Feerst: Upper, flatter area isn't that large. The rest is very steep.
55	LOW	Proposed	Mud Lake	Nederland	CO	<ul style="list-style-type: none"> 2005-12-13: Gordon will try to get more information about this area when he meets with Boulder County staff. 2006-01-24: Gordon has learned that this area may be closed for environmental studies. 2006-02-07: Gordon will scout this area, based on recommendation from Boulder County Open Space staff. However, it's only about one square mile in area. It's heavily wooded and relatively flat.
56	OK AS-IS	Existing	Observatory	Nederland	CO	<ul style="list-style-type: none"> 2005: Michael Rounds has the original mylars. 2007: Bob Ellis updated the map with new bike trails.
57	MEDIUM	Existing - Needs Updates	Palmer Park	Colorado Springs	CO	<ul style="list-style-type: none"> 740 acres. 2008-01-10 -- Sherry Litasi: Technically, off-trail access is prohibited here; maybe we should consider a Trail-O. UCCS buys lots of copies of this map every year. We may consider reducing the size of this map so it costs less to print. (But, Doug confirmed that UCCS uses the entire map.) 2008-01-22: This map really needs updates (especially the trail network).
58	LOW	Existing - Needs Updates	Peaceful Valley	Elbert	CO	<ul style="list-style-type: none"> 2005: Last used in 2002. Existing map needs to be updated to reflect new buildings and new trails; sizeable new areas recently added to the ranch should be mapped as well. Ample parking & nice facilities. 3000+ acres. Bob Ward has a stockpile of these maps. 2005-12-13: Brian Coleman will confirm the access / permission issues with his Scouting contacts. 2006-01-24: We have officially confirmed access to this area. We decided to make this area one of our top priorities for imminent mapping. . 2008-01-10: Plamen has small updates to make when he gets a chance, to complete the new map.
59	LOW	Proposed	Rampart Reservoir Area (aka Wildcat Gulch)	Woodland Park	CO	<ul style="list-style-type: none"> 2005 --Steve Willman: We have a base map already at hand of the area around one of the reservoirs near Woodland Park on the Rampart Range Road. I remember passing this on to - perhaps to Ellis. If this can be located it provides an instant project. I checked out the area with the base map in hand (1996?) and it was only 10 minutes or so from Woodland Park. There are plenty of bathroom and parking facilities because of the other reservoir recreation uses. 2008-01-31: No one can find the base map materials. They might be in Neal's garage; he needs someone to help him go through his garage to get organized.

	A	B	C	D	E	F
1	Mapping Priority Decision	Map Type	Map Name	Closest City	State	Comments
60	MEDIUM	Proposed	Red Rock Canyon Open Space	Colorado Springs	CO	<ul style="list-style-type: none"> • 2008-01-22: Located across the street from Bear Creek Park (opposite side of S 26th St). This is a popular new open space area that's being developed with lots of trails. The western end is like Garden of the Gods. There will be a geology trail, a fossil trail, etc. This might be a good location for a permanent O-course. • 2008-01-22: Sverre will look into access.
61	LOW	Proposed	Reynolds Park	Conifer	CO	<ul style="list-style-type: none"> • 2005: 1,260 acres. JeffCo Open Space Dept seems easy to work with (e.g. White Ranch). • 2008-01-22 -- Adam Feerst: There are plan to connect this area to the Colorado Trail. It's a small area, but it border USFS land. The trail network is somewhat limited.
62	OK AS-IS	Existing	Round Mountain	Lake George	CO	<ul style="list-style-type: none"> • 2005: This map was last used in 2004. USFS permitting issues; contact Steve Willman for details. • 2006-01-24: Sherry has a meeting with the USFS scheduled for 2/3/2006. • 2008-01-22: What the current USFS access status?
63	LOW	Existing	Saylor Park	Monument	CO	<ul style="list-style-type: none"> • 2005 -- Steve Willman: This is a major area with excellent terrain that we have not used because (1) the old map is not in OCAD, and (2) the old map got "twisted" somehow with magnetic north varying from map bit to map bit. We also have a base map available for an area roughly double the size of the existing map extending nearly all the way to Monument. This is superb, championship-quality terrain where a base map already exists. • 2006-03-15: No one can locate the Saylor Park basemap. Sherry sent a general location map to USFS for an initial access/permit evaluation. • 2008-01-10 -- Sherry Litasi: This map was updated by Christoph Zurcher in 2007 for use at the 2007 Long-O championships. It might be useful to widen the map in places, however the original base map has never been found. USFS notified us that the USAFA is going to use the area again for survival training in June / July 2008; we can use it in September 2008. • 2008-01-10 -- Neal Barlow: From what I could see, there looks like enough terrain out there bounded by NF323 to at least double the mapped area.
64	MEDIUM	Proposed	Section 16	Colorado Springs	CO	<ul style="list-style-type: none"> • 2008-01-22: This is a proposed open space area, adjacent to Red Rock Canyon Open Space and down the street from Bear Creek Park. 640 acres.

1	Mapping Priority Decision	Map Type	Map Name	Closest City	State	Comments
65	LOW	Existing - Needs Updates	Snow Mountain Ranch	Granby	CO	<ul style="list-style-type: none"> • 2005: 5,100 acres, aka "Camp Chief Ouray". A nephew of the current USOF President is the director at Snow Mountain Ranch: Marty Ferguson, mferguson@ymcarockies.org, 970-887-2152 ext. 4172. SMR is bordered by Arapahoe National Forest to the west and south, BLM land to the southeast, private land (Pole Creek Golf Course) to the east and US Highway 40 to the north. Michael Rounds has some Ski-O maps of this area. • 2005 -- Adam Feerst: I've spoken with the recreation manager, and he was very interested in doing something and expanding the map. ... Also good for snowshoe, bike, and summer foot. • 2006-01-24: Sherry will contact the SMR manager, Marty Ferguson. • 2008-01-10 -- Sherry Litasi: Mark Gibbard said that the ski-o map that SMR created is better (more current) than our map. So, the 2008 Barnelopet will use SMR's map. • 2008-01-22: This area is too far away from population centers to be useful for local meets; and, it's also too far away from any other maps to be useful for a multi-day meet. There won't be any trees left here in a few years (pine beetle thinning).
66	TBD	Existing	Sondermann Park	Colorado Springs	CO	<ul style="list-style-type: none"> • 2008-01-17: J-J Coté and Steve Willman created this map in . Access issues are unknown. • 2008-01-22: This area is fairly small, perhaps best suited for White / Yellow / Orange courses. It's located close to Palmer Park and Garden of the Gods.
67	LOW	Proposed	Stapleton	Denver	CO	<ul style="list-style-type: none"> • Street-O map, using an online map and/or aerial photo. Very tentative.
68	LOW	Proposed	Sugar Loafin' Campground	Leadville	CO	<ul style="list-style-type: none"> • 2008-01-31: Leadville areas were deemed a low priority, due to their distance from the bulk of RMOC's members on the Front Range. Leadville-area maps could potentially be useful for a multi-day event in combination with the maps at Buena Vista. Unless and until we find a Project Manager for the Leadville area, these maps will remain a low priority. Carl and Linda Moore are willing to serve as Meet Director/Course Setter for Leadville-area events, but not as mappers.
69	OK AS-IS	Proposed	Switzerland Trail	Boulder	CO	<ul style="list-style-type: none"> • 2006-01-24: Gordon will try to determine the permit authority for this area.
70	LOW	Existing - Needs Updates	Tahosa	Ward	CO	<ul style="list-style-type: none"> • 2005 -- Michael Rounds: We should update and expand this map. Less than half of the current map, and only about a quarter of an expanded map, would be Scout property; the rest is Forest Service. I have the original mylars and a few copies of the map. • 2005-12-13: JP Ingebrigtsen reports that this area has lots of downed trees, but it's otherwise a nice area. • 2008-01-10: Brian Coleman is discussing mapping with the Boy Scout Council. • 2008-01-17 -- Michael Rounds: This area has great terrain (glaciated -- complex pits and depressions); it's close to populated areas (Boulder / Denver); and it has lots of trails. Tahosa and the adjacent Forest Service areas to the south and west are estimated to be about 2,000 acres. • 2008-01-17 -- Sherry Litasi: Brian Coleman is digitizing the existing Tahosa map to use as a base map.

1	Mapping Priority Decision	Map Type	Map Name	Closest City	State	Comments
71	LOW	Proposed	Tomahawk Ranch Girl Scout Camp	Bailey	CO	<ul style="list-style-type: none"> • 480 acres. • 2005 -- Michael Rounds: I have received verbal permission in the past to map each of the scout camps. Of course that permission could be five to ten years old now.... In the last year, I've had renewed interest from the Girl Scouts in mapping their camps. • 2008-01-17 -- Michael Rounds: This area is forested and roughly the size of Kelly Dahl.
72	OK AS-IS	Existing	Trout Creek Pass	Antero Junction	CO	
73	MEDIUM	Existing - Needs Updates	UNC Greeley	Greeley	CO	<ul style="list-style-type: none"> • Michael Rounds has 11 maps, mylars, and computer files. • 2008-01-25 -- Graham Baird: I was thinking of mapping the campus because to me it seemed ideal for a sprint-o (or a night sprint-o). In fact I was going to maybe get one of my classes to start to map it for me this spring, but if there are already some base maps then this would be a good place to start. So obviously I am interested. ... This summer if nothing comes up I'm sure I could crank out a new map in a matter of weeks as it's not a very large area. • 2008-01-23: Brooke provided Graham's mailing address and requested that Michael Rounds send all available materials to him.
74	HIGH	Existing - Needs Updates	USAFA Land Navigation Area	Colorado Springs	CO	<ul style="list-style-type: none"> • Need to investigate permit / access issues. • 2005-12-13: Brooke Mann will ask Troy Bozarth and Mike Dieck to inquire with their contacts at USAFA. • 2006-01-24: Christoph Zurcher is willing to update this map once we secure permission to use the area. • 2008-01-17 -- Sherry Litasi: USAFA is now more open to the public. Brian Coleman has been in touch with AF mappers. Maiya Anderson works there and is checking on access and permission to re-map. • 2008-01-22 -- Scott Fullerton: Scott's wife teaches there; he will also check into the access situation. The land nav area used by cadets has changed to Jack's Valley, a restricted area near the north gate. WE'd also need to avoid the archery range. • 2008-01-22 -- We agreed this would be a great area to start using again, due to its proximity to both Denver and Colorado Springs.
75	OK AS-IS	Existing	Village 7	Colorado Springs	CO
